Hemp Floral Water

100ml

KN0005

Description: Our concentrated hemp floral water is 100% natural, of Greek cultivation, from selected organic buds of Cannabis sativa L, Futura 75 strain (2019 harvest, Kokkina, Magnesia). Does not contain THC. Hemp floral water contains traces of essential oil and is a product of the steam distillation process that also creates the essential oil. The floral water, or hydrosol, is water imbued with all the aromatic compounds (terpenes) of the hemp flower.

Use: Spray hair for strength and shine, mist the face for daily cleansing, toning and moisturizing. A light spray on the pillow can aid a relaxed night's sleep. Use for a soothing anti-inflammatory massage.

Avoid contact with eyes.

Store in a cool dry place, preferably refrigerated.

Certifications: Organic agriculture [(EK) 834/2007 BIO HELLAS GR-BIO-03 2019-000000028159]. Organic Processing facility [Essential Organic Oils Ltd, 1st Industrial Area Volos, GR-BIO-01 DIO Code 21351160334].

Hydrate your skin and give it the shine it deserves!
